

# **PAANK MONTHLY REPORT**

## **DECEMBER**

This report documents the alarming human rights violations occurring in Balochistan, with a particular focus on enforced disappearances and extrajudicial killings. The cases recorded during December 2025 reveal a deeply concerning pattern of state repression, arbitrary detentions, physical and psychological torture, and unlawful executions carried out by Pakistani security forces. These abuses underscore a continuing climate of impunity and fear across the Balochistan.

A total of **86 cases of enforced disappearances** were documented, reflecting widespread and systematic targeting of civilians. Additionally, 41 victims were released after enduring severe mental and physical torture, further illustrating the use of coercive interrogation methods.

During this month, **11 confirmed cases of extrajudicial killings** were recorded, highlighting the lethal consequences of unchecked state power.

These findings reflect the deteriorating human rights situation in Balochistan and indicate an urgent need for independent investigations, accountability mechanisms, and international monitoring to protect vulnerable communities.
